

Chantilly Academy Preschool

About Our Preschool:

Chantilly Academy Preschool has served Northern Virginia families for 25 years and is licensed by the State of Virginia. We have successfully prepared over 1500 preschool graduates as part of their journey to Kindergarten.

Our main objective at Chantilly Academy Preschool is to provide a safe, positive and nurturing atmosphere which promotes the social, physical, intellectual and emotional growth of children. Learning experiences, appropriate for the developmental age of each class are provided daily.

Our daily schedule includes social interaction helping children to cooperate, listen and share; self-selected activities which stimulates cognitive growth and creativity, as well as emotional and social development. In addition, our students attend preschool gymnastics each day which helps to develop large and small motor skills.

Our teachers come from a diverse background in their education and experience teaching young children. They are committed to the highest level of excellence in your child's preschool education.
