

March 2023

Dear Parents,

February flew by with many fun events and activities. We loved celebrating Valentine's Day with our preschool friends. Thank you for the many wonderful treats! After eating lots of sweets, it was great timing to bring in the dentist to teach us all about taking care of our teeth.

In March, we will celebrate "Read Across America." We are excited to receive a visit from local children's author, Ms. Rebecca Greene, on March 6th and March 7th. St. Patrick's Day is also on the horizon. Stay tuned for lots of leprechaun and green fun! Lastly, we are looking forward to Spring weather (some of which we received in the Winter). Spring is a beautiful time of year to observe the trees and other seasonal changes. We love planting with our kiddos, too!
